#### Thoughts on Division.

(Continued from First Page.)

of voting on this one issue.

Neither can we get our consent to vote against division.

Others will have to decide this issue. We do not wish to straddle the fence but we can't afford to vote against what our best friends consider their interest.

On the other hand there are a few individuals here who, when misfortunes were upon us, showed by their actions that they did not regard that we had any rights, feelings or privileges that should be respected by them. And were they the only ones to be considered in this issue we would certainly exercise our prerogative with a vengeance in favor of county division.
